

## Enterprise Perfect Pitch Competition 2020

### Instructions

In this competition you will give a 60-90 second overview of your most notable professional experiences to spark the interest of a recruiter for a prospective employer. This pitch should focus on more than basic information like your major and graduation date; it should serve as an attention-grabber to prove yourself as a memorable job candidate for the company. Your pitch does not need to apply to any specific position, but you should still mention the potential employer: Enterprise.

### First Round

If you submitted your registration in time to be eligible to compete, your chapter will be emailed your time slot and further directions for the first round a couple days before the conference.

### Finals Round

After the first round of Perfect Pitch, the top 15 will advance to the finals round. If you are selected, you will present once again to the Enterprise representatives for the opportunity to win one of our six cash prizes listed below.

### Prize Values

1st Place (2 winners): \$125

2nd Place (2 winners): \$75

3rd Place (2 winners): \$50

Requirement: To be eligible for prize money, you must send your updated resume to

[dainsbrd9587@uwec.edu](mailto:dainsbrd9587@uwec.edu) before your designated **finals** time slot.
